EXPERIENCE

Summer 2017

Moment — New York, NY Product Design Intern

Designed a Voice UI that helps immigrant families teach language and culture to their children through conversation and storytelling.
Used human-centered methodology through user research, persona development, storyboarding, design sprints, and testing.

Summer 2016

Medialets — New York, NY Product Management & User Experience Design Intern

Worked with the product team to learn and apply agile product development methodologies to design, test, and release features.
Redesigned the Report Builder feature and relevant workflows.
Designed and integrated a new campaign alerts system.

2014 - 2017

Rensselaer Union — Troy, NY Photographer

Dedicated photographer for the Rensselaer Student Union.
Published in 'Inside Rensselaer' magazine.
Mentored new photographers and scheduled photo assignments.

EDUCATION
